TRANSACTION STATUS

Displays the status of a file(s) as it is uploaded to Media Landing storage.

Transaction Status and Placeholder Status will generally have different values

Open

A Placeholder is available for file upload and has never previously had a file uploaded against it

Uploading

A file(s) is in the process of being uploaded to the Placeholder

Ingesting

A file(s) has been uploaded to Media Landing storage and is being processed or prepared for the next step in its workflow

Ready for QC

A file(s) is awaiting manual QC

Issue

There is problem with the file(s) uploaded and it is pending a replacement file(s)

TRANSFERRING

A file(s) placed in the drop zone is transferring to Media Landing storage

VERIFYING

A check to confirm that a file(s) placed in the Placeholder drop zone has reached Media Landing

COMPLETE

The file(s) transferred successfully and has reached its intended destination

ERROR

An error has occurred during file transfer

CANCELLED

During an active file transfer, the user stopped the upload using the Placeholder's "Cancel" button.
